

AUGUSTINE KARIUKI

DESIGN TEAM LEAD | BRAND, WEB & DIGITAL DESIGNER

Nairobi, Kenya | +254 705 722 539 | augustinekaris@gmail.com | augustinek-portfolio.vercel.app

Multidisciplinary designer and team lead with 7+ years of experience across brand identity, websites, digital products, marketing campaigns and print production. Currently leading design work across multiple Riana Group subsidiaries, translating business requirements into clear, practical visual solutions. I also build digital products and automation workflows, including Ripple Docs and AI-assisted content systems, to reduce repetitive work and support business operations.

CORE SKILLS

Brand & Creative	Brand Identity, Campaign Design, Print Production
Web & Product	WordPress, UI/UX, Figma
Tools & Automation	Adobe Illustrator, Canva, n8n

EXPERIENCE

Design Team Lead | Riana Group

Nairobi, Kenya | September 2021 - Present

- Lead day-to-day design delivery across multiple Riana Group subsidiaries, maintaining visual consistency and coordinating priorities, feedback and delivery with stakeholders.
- Translate business requirements into brand campaigns, social media creative, digital advertisements and practical visual solutions across company brands.
- Design corporate profiles, pitch decks, proposals, sales materials and event presentations used in client communication and business development.
- Design and develop corporate and product websites, while supporting digital product concepts, interface design and customer-facing technology demonstrations.
- Coordinate print production for signage, exhibition materials, access cards, branded merchandise and corporate stationery.
- Produce video and motion content for campaigns, product demonstrations and proof-of-concept presentations.

Founder & Creative Designer - Independent Practice

Ripple Design & Branding | January 2018 - Present

- Deliver brand identities, marketing materials, company profiles and social media content for SMEs and growing businesses.
- Design and develop responsive WordPress websites from initial discovery and structure through design, development and launch.
- Manage client projects directly, including requirements gathering, quotations, feedback, production and delivery, and coordinate commercial printing, promotional merchandise, signage and branded materials.
- Designed and built Ripple Docs, a digital platform for creating invoices, quotations and business documents.

Graphic Design Intern | Moran Publishers

Nairobi, Kenya | September 2017 - December 2017

- Created illustrations for children's educational books.
- Designed page layouts and typography for curriculum-based publications.
- Prepared artwork for print production.
- Assisted with proofreading and production checks.
